Garfield County -

Conservation officers with the Utah Division of Wildlife Resources are seeking information regarding a poached buck pronghorn in the Prospect Creek area of the Mt. Dutton/Paunsugunt unit. The pronghorn, reported by a concerned citizen, was shot and left to rot during the doe pronghorn hunt in October 2011.

Wildlife officers hope that individuals with information regarding the poaching of this animal will contact the UTiP Hotline at 800-662-3337, or Conservation Officer Micah Evans directly at 435-691-3587.

A reward permit or monetary reward is available in the event of a successful prosecution of those responsible.
